

## Flying With TRUE GRIT

"Flying With True Grit" is a seminar designed to promote discussion about the advantages that aviation automation provides but also the over reliance that automation creates and the reluctance of the pilot to revert to a lower level of system management.

**Directions:** The Spencer Flight & Education Center is located at the Scott City Municipal Airport (TQK).

### A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
